

SOCIAL SKILLS & ATTENTION GROUP

AGE 3-5/6-8

Is your child having difficulties following classroom rules or sustaining attention through tasks? Is your child quiet and passive in a peer group, struggling how to interact or converse with others? Does your child encounter challenges in understanding how other people would feel in a certain situation? Does your child throw tantrum sometimes without knowing how to control or express their emotions appropriately? Then this group is the golden key to unlock your child's social talents!

Learning Goals:

1. Improve attention & classroom behaviours
2. Increase social participation
3. Recognise & manage emotions
4. Problem solving
5. Conversational skills

Activities:

Social & movement games, show & tell, story time, role-plays, art & craft, whole body listening activities and relaxation exercises.

Teacher:

Registered Speech-Language Therapist
